

## Exorcism and Protection for Locations and Technology

This is a personal composition used for securing persons, animals, locations, and technology while working a case. I originally wrote in Latin and then translated it to the English, with words for modern technology borrowed from Italian with reference to Spanish, Portuguese, and Sardinian.

The borrowings from the liturgy, from medieval rites, and from my previous compositions is intentional because the familiarity facilitates ease of use (at least for me). It's also more thorough than the only comparable offering I've found to date, namely the "Umbrellino Prayer" used in "Catholic" deliverance circles.

In any case, here's the text, below the dashed line. The English is first, with the Latin afterwards.

### ENGLISH:

V. Our Help is in the name of the Lord.

R. Who made heaven and earth.

V. Lord, hear my prayer.

R. And let my cry come unto thee.

V. The Lord be with you.

R. And with thy Spirit.

Let us pray.

Lord Jesus Christ, Word of God the Father, rational principle throughout all, in all, and giving life to all the universes. Humbly I beseech thine aid in battle against the powers of darkness: send me thy power for the sake of overcoming them, and thy protection over all men, women, and animals known to me, and my and their technologies. Protect our vehicles, telephones, computers, modems and routers, internet connections, electrical wires, water and gas lines, and our clocks; so also everything in our homes with moving or electrical parts. Permit not demons, spirits, entities, elves, faeries, dragons, satellites, salamanders, sylphs, undines, and gnomes to enter or infest our bodies, houses, animals, possessions, or technologies. Grant me, on the contrary - through thy victory over death, hell, the grave, and all the realms of the universes - a sharing in thy power to command all spirits good or evil, without unintentionally causing harm to myself or anyone else: thou who livest and reignest forever and ever. R. Amen.

### Exorcism.

Through the most powerful and empowered name of our Lord and God EL, and through his name Adonai Elohim, and through his strong title AGLA: I conjure and exorcize all entities by the conception, incarnation, nativity, teaching, suffering, death, resurrection, ascension, and second coming of my and your Lord Jesus Christ! Exit from all our bodies, minds, hearts, members, vehicles, homes, animals, possessions, and technologies! Go back to your habitations whether they be in Hell or in Purgatory, in the Limbo of the Fathers or of the Children, in the realms of Fire, Air, Water, or Earth, in the spheres of the Moon, Mercury, Venus, the Sun, Mars,

Jupiter, Saturn, or in the Sphere of fixed Stars! Be not here, be not now, be not in the same places where we humans, animals, and physical creatures happen to be! Leave and go back, and abandon all chains and bonds holding you to these places or bodies or things! + Christ conquers you! + Christ reigns over you! + Christ commands you! + Christ who shall come again to judge the living and the dead, and the world by fire! R. Amen.

If the presence persists, the Exorcist may repeat the exorcism (or prayer and exorcism). All prayers being finished, he prays:

Holy God, our Lord: we thank thee for this purified place, and for our bodies, minds, hearts, homes, animals, vehicles, and technologies. Banish, O Lord, all the enemy's power from the borders of the physical plane, and vouchsafe to send thine holy Angel from heaven to guard, cherish, protect, visit, and defend all who dwell within this habitation. Through Christ our Lord. R. Amen.

The place and all therein are sprinkled with holy water.
